

Testimonial

We as parents thoroughly enjoyed putting our boys through Hereworth and being part of the family friendly atmosphere.

Hereworth has a positive energy radiating from the boarding house where a lifetime of camaraderie begins.

They are such lucky boys to have keen, enthusiastic teachers, who know the boys and can encourage, challenge and inspire the boys to achieve their own personal success.

From sportsmanship, academic, music, there's a variety of opportunities and it's up to the boys to make the most of it"

Thank you Hereworth.
