

HEREWORTH
DESIGNED FOR BOYS

Year 8 Camp

February 6-10, Term One 2017

Hillary Outdoors Education Centre Tongariro

Hillary Outdoors delivers 'best in class' outdoor education experiences. Instructors are highly trained and skilled programme facilitators and their multi-talented staff are passionate, compassionate and inspiring. They have been operating for more than 40 years and are a reputable provider of exceptional educational camps.

In collaboration with Scott Jensen, Hereworth's EOTC (Education Outside the Classroom) and Camp Coordinator, Hillary Outdoors are designing an exciting and challenging four night camp programme for Year 8 boys.

Activities are likely to include:

Caving	Climbing	Abseiling
Canoeing/kayaking	Teamwork exercises	Basic navigation/map reading
Flying Fox	Rock wall climbing	Practical bush tramping skills
Low & high rope courses		

The longer duration of the camp and superior range of activities account for the higher price than Year 8 camps have been previously. The camp fee is around \$600 per child and this is predominantly Hillary Outdoors' charges plus around \$100 for transport to and from Tongariro National Park.

As the camp fees are higher than in the past, we will be setting up flexible payment arrangements and details will be provided along with the full camp programme within the next few weeks.

If you have any queries about the camp, please don't hesitate to contact me.
