[Survey of our parent community](#)

Dear Parents,

As a school we value the feedback of our parent community. We understand the commitment that you make to Hereworth when your son starts here and we need to hear from you about whether the school is meeting your expectations.

Below is a link to a survey that will remain open for the next three weeks. The survey seeks your feedback on various aspects of the school and the results will feed directly into operations and planning at management and Board level as we prepare for 2017 and look ahead to the overall strategic direction for the school.

Your responses will be anonymous and we encourage you to be completely open so that we get a true reflection of the needs and opinions of our parent community. Just one survey per household please.

Very many thanks for your time and input.

Kind regards,

Steve
