

The Hereworth App

Go to the Google Play Store or App Store and search for Hereworth School to download the app to your phone or tablet.

You'll be prompted to select alert groups when you first access the app. These will be used to send class, year level and sport notifications. Please select your son's year level(s), class(es), summer and winter sporting code(s). If you don't yet know which winter sport your son will be playing, you can add this to your alert groups at a later date.
